1.0 INTRODUCTION

1.1. PRINCIPAL'S ADDRESS

Welcome to New Families,

This information booklet is an initiative of the Our Lady of Fatima Parents and Friends Association and has been produced to help familiarise new families with important aspects of the school culture unique to Our Lady of Fatima.

The handbook provides you with a summary of key policies and procedures. You are asked to read it carefully and use it as a reference when you have queries concerning the day-to-day operation of the School.

I trust your association with Our Lady of Fatima School will be a happy and rewarding one.

Paul Hansen
Principal

1.2 VISION STATEMENT

Our Lady of Fatima, Palmyra is a Catholic School that aspires to provide a respectful, secure and caring learning environment where our community is committed to following the teachings of Jesus.

1.3 SCHOOL GOALS

At Our Lady of Fatima we strive as a community to:

- Provide a Catholic Education where the teachings of Christ are witnessed, lived and valued;
- Foster a sense of belonging between staff, students, parents and parishioners;
- Assist children to develop sensitivity and respect for self and others in an open and just environment;
- Develop the whole child to realise their full potential – spiritually, academically, socially, emotionally, and physically;
- Encourage cooperation between parents, teachers and students in the education process;

- Provide opportunities for children to develop the knowledge, skills and positive attitudes necessary to confidently lead their lives in a changing society.
- Encourage responsible management and usage of all natural resources.

2.0 SCHOOL HISTORY

In the early 1920's there was no church or parish in Palmyra. Father Kearen came from Kalgoorlie to form a parish in the area. A wooden hall in Tamar Street was hired for five shillings a week and on April 13th, 1923, Palm Sunday, the first Mass was celebrated in the Tamar Street Hall.

After six weeks a building committee was established to plan the construction of a church. The church was to cater for a parish, which would extend from Petra Street to the Canning Bridge. It also extended to Point Walter Road and included Spearwood. A large part of the area was bushland.

The nearest Catholic School in the area was in King Street, East Fremantle. It was decided to begin a school in the Tamar Street Hall. Sisters from the Our Lady of the Missions order travelled by tram from East Fremantle to Carrington Street. They then walked along a bush track to the Tamar Street, in order to teach the children.

In 1925 a building was constructed on the present Foss Street site, which served as a church on Sundays, as a school for the children during the week and a hall for social functions.

In later years a presbytery and school were built. The name of the school and parish was changed from St Gerards to Our Lady of Fatima in the early 1950's. A strong devotion to Our Lady is evident to this day.

Sister M. Camillus retired as Head Mistress in 1974. Since then lay Principals have administered the school. The school is indebted to the Sisters of Our Lady of the Missions for their selfless efforts in establishing and developing the school. It continues to stress the value of Service, a tradition established by the sisters.

The school is now a modern one-stream school catering for 250 children from Pre-Kindergarten to Year Six. A beautiful church is situated on site and enables the school to participate in liturgical celebrations.

Our Lady of Fatima School provides a Catholic Education for the children of Palmyra and East Fremantle Parishes.

Families are actively involved in the life of the school, supporting it in a variety of ways. The dedicated staff is committed to providing a sound Catholic education based on the school's education policy.

3.0 RELIGIOUS EDUCATION

Our Catholic School's Religious Education programme is a systematic and sequenced programme of helping children to integrate our Catholic Faith with their daily lives. Religious Education units of work are issued by the Diocesan Bishop, the teachers use the guidelines to guide the students in their faith formation and develop knowledge and skills in this area.

Students are involved in the sacraments of Reconciliation, Eucharist and Confirmation as well as prayer assemblies and liturgies. Please support your child's faith development by attending Sunday Eucharist regularly.

3.1 OUR PARISH

Our Lady of Fatima is the school that serves the Parish of Our Lady of Fatima Palmyra. We are fortunate to have a church so close as this provides the children with a real sense of belonging to the wider Catholic community. Our Parish Priest is Father Francis Ughanze and he plays a vital role in the spiritual life of our school.

Families and children are encouraged to participate in the parish in a variety of ways. The most important of which is the celebration of the Eucharist together. Our Mass times are:

Monday, Thursday & Saturday - Mass	9.00am
Tuesday – Communion Service	9.00am
Wednesday & Friday – Mass	7.00am
Saturday – Vigil Mass of Sunday	6.30pm
Sunday – Morning Mass	7.30am & 9.45am
Sunday -Evening Mass	6.30pm
Reconciliation – Saturday evening	By appointment
Baptisms:	By appointment

Prayers groups, a choir and many other groups are active in this community. Our parish could always use help with reading, commentating, church cleaning and several other activities. If you would like to join or assist in any of these activities, please see your P & F Class Representative for information.

3.1.1. CHILDRENS LITURGY

At the 9.45am Sunday Mass, children aged 3yrs to 10yrs are invited to attend our children's liturgy group. Families come to the church together and after the introduction prayer, Father blesses the children who gather at the altar and catechists take the children to the Parish Centre. The gospel of the day is read and the children partake in a discussion and activity. They return to the church and join the offertory procession to be welcomed back by Father. The children enjoy being together and parents can obtain a greater benefit from the mass.

The Christmas Eve vigil mass is a Children's mass. Children who attend the Sunday liturgy group will perform a short Nativity play at this mass. We encourage all families to attend and support these children.

4.2 SCHOOL BOARD

The School Board is responsible for the financial management of the school and meets once a month. Members are elected at the November Annual General Meeting. Our Board is entrusted with the duty of planning, with school staff and the Principal, to meet the present and future needs of students. In representing the Catholic School community, our Board is to actively promote and support the Catholic ethos of the school.

Our Board has no authority in the internal operation of the school. It is however, available as an advisory service to the Principal and staff. It is also required to be an effective liaison agent between the school and the parent community.

Its members are mostly elected parent volunteers. When a position becomes vacant nominations are called for from the school community and members are elected at the Annual General Meeting. All parents and interested community members are welcome to attend this meeting and you are encouraged to consider serving on the Board as a way of supporting the school.

Board Members	Paul Hansen (Principal) Fr Francis Uganze (Parish Priest) David Gault Lucy Backhouse John McNally Lyndelle Stingemore Natasha Goncalves Karen Jones

4.3 PARENTS AND FRIENDS ASSOCIATION

Every parent of Our Lady of Fatima is a member of the Parents and Friends Association (P&F). Students, through their student ministries, and interested community members are also encouraged to be part of this organisation. It makes an important contribution to the development of our school's community spirit, as well as providing essential morale and financial support to our school.

The P & F is our fundraising body and its sub committees run the uniform shop, sporting clubs and organise social events.

The objectives of the P & F Association are:

- To develop community
- To promote closer liaison between the school and community
- To foster community interest in education
- To assist in the provision of school amenities

Our P&F activities are organised by a core group of volunteers nominated at the school's Annual General Meeting. You do not need to be one of the elected committee to attend meetings or assist with activities held throughout the school year.

Our Current P & F Committee is:

President

Treasurer

Secretary

Clare Gendron

Emma Spackman

4.4 UNIFORM SHOP

The Uniform Shop is open each Thursday morning from 8.15am to 9.00am. For Pre-Primary parents, special order forms will be sent home in Term 3 or 4 in readiness for Year One and fittings times will be arranged. Parent volunteers run the uniform shop; please help them by placing large uniform orders early to allow for delivery. Be patient if the item you need is not available, our school is small and we cannot have large numbers of every size in stock. Our Uniform Shop Co-ordinators for 2020 are Melissa Olivari-Brown and Sharon Grubb.

4.5 LIBRARY

We have a well-equipped library with library technician, Mrs Lorraine Szefczyk, available to assist our students and staff. Library time and borrowing facilities are given to students in Kindergarten to Year 6. Class teachers coordinate library lessons where our children learn to use the library, and conduct research as part of their regular studies.

Every class has a specific library day, your children will be told which day this is early in Term One. On these days they will need to bring their library bag, without which they will not be able to borrow books. It is important that we encourage our children to take care of the books, as they are expensive to replace. Many families and students have, over the years donated books to our library. These have special labels on the inside cover. It is often interesting to read who gave us the book and why.

5.0 SCHOOL FRAMEWORK POLICY

5.1 ENROLMENT POLICY

Our Lady of Fatima exists for the primary purpose of providing Catholic children from the parish of Palmyra/East Fremantle with a Catholic Education.

Thus the priority for enrolment is;

1. Catholic Students from the Parish
2. Catholic Students from outside the Parish
3. Siblings of Non-Catholic Students.
4. Non Catholic Students from other Christian Denominations
5. Other Non-Catholic Students.

5.2 SCHOOL FEES

The provision of Catholic education to all is made with an awareness of the constraints imposed by financial considerations affecting the function of the Catholic school. Our School Board has the responsibility for the financial management of the school and consequently is responsible for the collection of school fees. As parents we are therefore asked to make a commitment to support the school by paying fees on time. Discounts of tuition fees apply to Health Care Card holders and further information can be obtained by contacting the front office. Direct debit and EFTPOS are also available for payment of fees.

Accounts are sent home at the commencement of the first three terms, and can be paid either annually or on a term by term basis. Other more flexible payment arrangements can be made by negotiation with the principal. Any parents experiencing difficulty with the payment of school fees can apply, through the principal, to the School Board for a concession.

The inability to pay school fees shall never be the reason for the exclusion of any child from Our Lady of Fatima. All information pertaining to the payment of school fees will be treated as confidential. To ensure this confidentiality, members of the Board are not advised of individual family names.

Fees when leaving the school: Families leaving the school must give one term's notice to the office or a full term's fee will be charged.

5.3 STUDENT INSURANCE

Included in our school fees is an insurance payment per child. The policy covers our students during school hours, covering accidents that occur during those hours. Should your child have an accident and you wish to make an inquiry regarding your policy please contact the school office.

5.4 WESTERN AUSTRALIAN CURRICULUM

All teachers will use the Western Australian Curriculum for planning and assessing. The Western Australian Curriculum sets consistent national standards to improve learning outcomes for all young Australians. It sets out, through content descriptions and achievement standards, what students should be taught and achieve, as they progress through school. It is the base for future learning, growth and active participation in the Australian community. SCSA develops the Western Australian Curriculum through rigorous, consultative national processes. The Western Australian Curriculum includes learning areas, general capabilities and cross-curriculum priorities that together support 21st century learning.

5.5 CURRICULUM:

The first learning area is Religious Education. Our Lady of Fatima offers a broad-based curriculum with emphasis given to the care and development of the child as an individual and a contributing member of the community. We recognise the vital place of faith in the lives of the students and are concerned with the awakening, nourishing and development of faith within a sound education.

5.5.1 RELIGIOUS EDUCATION

Our Religious Education program is based upon the Perth Archdiocesan Guidelines as set down by the Catholic Education Western Australia (CEWA). At Our Lady of Fatima we are committed to fostering a total Faith and Life development, showing tolerance and respect, where children will grow to their full potential and recognise their self worth.

This program:

- Is developmental
- Is based on sharing faith through life experience
- Is Christ-centred
- Focuses on the unconditional love of God
- Makes religious education living in the daily lives of the children
- Emphasises the importance of a vital, caring and loving atmosphere where children can become the people God wants them to be
- Stresses the place of the Eucharist and the whole sacramental life of the Church

School mass is celebrated every term as well as on other 'special' occasions. Children are encouraged to actively participate by singing, preparing church decorations, reading, carrying the offertory gifts or altar serving. All family and community members are encouraged to attend.

The Sacrament of Reconciliation (Penance) is offered in Year 3, First Holy Communion in Year 4 and Confirmation (receiving the Holy Spirit) in Year 6. These are wonderful and memorable occasions for your children and families are encouraged to participate in all aspects of these celebrations.

5.5.2 ENGLISH

The study of English is central to the learning and development of all young Australians. It helps create confident communicators, imaginative thinkers and informed citizens. It is through the study of English that individuals learn to analyse, understand, communicate with and build relationships with others and with the world around them. The classroom program is based on the Western Australian Curriculum: English.

The Western Australian Curriculum: English aims to ensure that students:

- Learn to listen to, read, view, speak, write, create and reflect on increasingly complex and sophisticated spoken, written and multimodal texts across a growing range of contexts with accuracy, fluency and purpose.
- Appreciate, enjoy and use the English language in all its variations and develop a sense of its richness and power to evoke feelings, convey information, form ideas, facilitate interaction with others, entertain, persuade and argue.
- Understand how Standard Australian English works in its spoken and written forms and in combination with nonlinguistic forms of communication to create meaning.
- Develop interest and skills in inquiring into the aesthetic aspects of texts.
- Develop an informed appreciation of literature.

Students in Years Three and Five will take part in the NAPLAN administered by the Education Department. This is designed to measure overall Literacy (and Numeracy) skills. Your child's results will be included with the school's end of year report. Please keep in mind that this form of testing is just one of the many assessment tools used by our school to evaluate children's progress. Please make an appointment with the class teacher if you have any concerns regarding your child's progress.

5.5.4 MATHEMATICS

The classroom program is based on the Western Australian Curriculum: Mathematics. The proficiency strands **Understanding, Fluency, Problem Solving and Reasoning** are an integral part of mathematics content across the three content strands: **Number and Algebra, Measurement and Geometry, and Statistics and Probability**. The proficiencies reinforce the significance of working mathematically within the content and describe how the content is explored or developed. They provide the language to build in the developmental aspects of the learning of mathematics.

Mathletics is an on-line computer program that students from Year 2-6 have access to at school and at home to support the classroom program. Students will be given logon details at the start of each year.

5.5.5 PHYSICAL EDUCATION/HEALTH

Children from Pre-Primary to Year 6 receive weekly lessons, from our specialist physical education teacher, which focuses primarily on the development of sport skills. You will be notified of the day/s your child's class has sport. On these days, students are required to wear the school sport uniform with predominantly white joggers and school sport socks. The program also includes a school sports carnival and inter-school sports carnival.

HOUSE AND SPORTS CARNIVALS

Every child is a member of one of our four Houses: Kolbe (Red), Green (Genevieve), Francisco (Blue) and LaSalle (Gold). Your child will be placed in a house when they are in Pre-Primary. All children from the same family will be placed in the same house.

Once a year we have a School House Carnival. Each class group takes part in team and individual events. Points are awarded for all places and the house with the highest combined total wins the shield for the year. An Inter-School carnival is also held every year for the schools of the local area. Our school team is made up of the children who do well in the school house carnival and attend training sessions. Once every 4 to 5 years our school has the task of organising this event.

Your family is invited to attend sport carnival days, many bring a picnic lunch, dress in faction colours and generally get involved in the carnival spirit. This is an event that needs a lot of people to run well. If you can spare the time to be a marshal, place judge, scorer or anything else, please volunteer. A request will be made in the newsletter prior to the day.

Sun Smart Policy is in place at the school. Your child is required to wear a wide brimmed hat during outdoor activities. Parents are strongly advised to supervise

the application of sunscreen each morning as recommended by the Cancer Council. Sunscreen is available in each classroom, supplied by the P&F.

5.5.6 DIGITAL TECHNOLOGIES

In the Western Australian Curriculum, Digital Technologies is a specific learning area to be taught in all year groups. It is also part of the general capabilities that encompass the knowledge, skills, behaviours and dispositions that, together with curriculum content in each learning area and the cross-curriculum priorities, will assist students to live and work successfully in the twenty-first century. Our school Digital Technologies programs is organised by our learning technology specialist teacher and all classroom teachers support all learning areas of the Western Australian Curriculum. The school has a well-equipped computer lab which classes visit on a weekly basis and iPads in each classroom. Early in Term One, students will be advised of their computer lab timeslot.

A particular emphasis will be on the new CEWA homepage which will operate in all classrooms further enhancing the communication between school and home.

5.6 ASSESSMENT AND REPORTING

The reporting mechanism for 2020 includes:

At the conclusion of **Term One**, a parent interview will take place;

A checklist report will be distributed to parents at the conclusion of **Terms Two and Four**.

An “Open Afternoon” where parents can view student’s work occurs in **Terms One and Three**.

Parents have access to Seesaw a digital portfolio to view their child’s **ongoing progress**

Parents are encouraged to make an appointment with the class teacher at any time if they are concerned about their child's progress.

Seesaw digital portfolios are a reporting tool used by Pre-Kindergarten to Year Six teachers. Parents download the Seesaw app and receive a QR code to access their child’s portfolio. Please see the classroom teacher for your child’s QR code.

5.7 HOMEWORK

Year One to Six classes have homework set regularly. The quantity of homework varies according to individual year levels. Generally, homework will not be set for the weekend.

Your child's class teacher will issue homework guidelines at the beginning of each year. If these instructions are not received, please contact the class teacher. Parents can support the teachers by ensuring that set homework is completed. Please let teachers know if there are any difficulties with homework.

5.8 EXCURSIONS

The children will be involved in excursions throughout the year. Excursions are used to enhance the classroom program. Parents will be notified of the details of excursions via the newsletter or a special class note. Permission must be given each time children leave the school. Parents can help by returning the permission slip as quickly as possible and by being a volunteer on such excursions. Please return all permission slips to the class teacher.

6.0 EXTRA CURRICULAR ACTIVITIES

6.1 SCHOOL CAMPS

A four-day leadership/self-esteem camp is offered to all Year Six students. A three-day "Making Jesus Real" respect and confidence building surf camp is offered to all Year Five students.

6.2 PERFORMING ARTS FESTIVAL

This is an annual festival for catholic school students in Western Australia, organised by the CEWA. Our students participate in this festival in various ways. Performances are given in many areas such as instrumental, speech, singing, drama and dance. These can be performed individually or as part of a class group. Individual nominations are called for in the school newsletter and class nominations are at teacher discretion.

7.0 AWARDS

7.1 MERIT CERTIFICATES

During the school year the staff reward students for their efforts. Small certificates are given to students or classes in recognition for outstanding effort on their part in any area of their school life. Winners of merit certificates are published in the newsletter. Parents are most welcome to attend Friday assembly if they wish.

7.2 OTHER ACHIEVEMENTS

Individual, class or group achievements are recognised throughout the year in many ways. Our school encourages all students to strive to achieve their personal best in all they participate in, both inside and outside the school.

The Fatima Hero Award is awarded to members of the school community who display the Christian values encouraged at Our Lady of Fatima school.

8.0 MEDICAL

8.1 MEDICINE/MEDICATION

If a child requires medicine for any reason (eg antibiotics, ear drops etc.) please ensure that it is handed into the office and not kept in the child's bag. A **'Request to Administer Medication Form'** can be obtained from the front office and must be filled out and handed in with any medication. Staff members are not responsible for administering medication, but will access the medication and assist your child to follow the instructions you have provided.

8.2 MEDICAL CONDITIONS

School personnel need to know about any medical condition that a child has which may require medication or emergency treatment. These conditions could include diabetes, asthma, allergies (such as bee stings, intolerance to food products), or anything that you feel that staff need to be aware of. A **Student Medical Information Form** is provided at the commencement of the school year. Please complete and return to the office as soon as possible. If circumstances change during the year, we request that a new form be completed.

If this condition is life threatening, please complete an **'Emergency Health Care Plan'** form; copies are available from the office. Your child's name and photograph will be added to the Medic Alert Board located in the staff room. This will mean all staff will be aware of the appropriate action or treatment.

8.3 FIRST AID, ACCIDENT AND STUDENT ILLNESS

8.3.1 First Aid

- Basic first aid treatment is provided for students. Staff will deal with minor injuries/accidents that occur at school.
- First Aid materials are kept in the school office storeroom.
- A Basic First Aid Box is available in each classroom for minor injuries.
- All serious injuries should be reported to the principal or an assistant. The teacher witnessing or having the accident reported to them should fill out the Catholic Church Insurances Accident Report Form available from the office. Parents will be notified.
- In emergency and/or if the parents cannot be contacted, an ambulance may be called, or the child transported to a doctor or hospital by a staff member.
- Parents collecting sick children should report to the office to collect the child and sign via the iPad.
- Staff attending to injuries involving blood should wear gloves. Supplies of gloves will be available in all first aid boxes.

- A staff member attending a sick or injured child should ensure basic common sense and duty of care is applied to the situation. It is within the limits of personal expertise that proper attention is given to ensure the wellbeing of any child.
- It is advisable to have ambulance cover for your children. A visit to hospital without insurance can be expensive (approx. \$800).

8.3.2 Bee Stings

- A list of children with allergies to bees will be compiled from the medical information forms and displayed in the first aid room.
- Parents will need to provide medication and instructions for action to be taken if their child is likely to have a serious reaction to a bee.

8.3.3 Asthma

- All students with asthma must provide the school a current asthma action plan (less than 12 months old) containing written instructions for action to be taken should they suffer a serious attack at school.
- A list of children with asthma will be compiled from the medical information forms and displayed in the first aid room.
- The child, where possible, should administer asthma medication.
- The school should be informed of any child who will be self-administering asthma medication, and in this instance the medication may stay with the child.

8.5 CHILDREN WHO ARE ILL

When your child is ill, please keep them at home or arrange care for them, school can be a lonely place when you don't feel well. When your child returns to school please send in an absentee note.

There are many illnesses that are common in primary schools (especially lower primary) and spread quickly. Chicken Pox, Measles and Mumps are just a few. Most families are affected at some point and keeping your ill child at home may prevent others catching the illness.

Cold sores and lice are two common problems faced in schools. Nearly every child will bring home one or both of these at some time, as they love to be close to each other and are constantly touching everything as they learn. When your child does suffer either situation they must remain at home until the weeping in cold sores ceases or the treatment has cleared the problem.

Cold sores are a virus and appear as areas of small blisters often around the nose and mouth, this can be more serious if children then touch their eyes and spread the virus there. Lice are small animals that lay their eggs on the hair shaft near the scalp. It is said that they prefer clean hair and just normal washing is not enough to prevent your child catching them. Offer to brush your child's hair regularly so you can make a discreet check, this is most important in older children as we don't often need to be doing their hair. Treatment is available from the chemist for both conditions and should be used as soon as you notice the problem.

If you have any queries about exclusion periods for illness please contact the school office.

8.6 DENTAL CHECK

Each student is provided with a free annual dental check; this is provided by the Health Department and is not compulsory if you would prefer to use your own Dentist. Our Dental Unit is located at Palmyra Primary School. Appointment cards are sent home with your child advising of date and time with approximately one to two weeks' notice. It is your responsibility to take our children to these appointments, if we wish to take advantage of this service. Should dental treatment be required the unit will treat your child free of charge. Alternatively, you may consult your family dentist.

8.7 COMMUNITY NURSE

The school nurse does a School Entry Health Assessment in Kindergarten or in Pre-Primary if they missed out in Kindergarten.

9.0 SCHOOL UNIFORM - DRESS CODE

9.1 NO HAT – PLAY IN THE SHADE

- The Sun Protection Policy (actively promoted at Our Lady of Fatima) meets the requirements of students and staff with respect to skin damage, which can occur during outdoor activities.
- Students are required to wear the school hat for Physical Education, sporting activities and for recess and lunch breaks for the entire year.
- Sunscreen is provided in every classroom and children will be encouraged to use it. Sunscreen will also be taken on all outdoor excursions and sporting activities.

It is important to note:

- Sharing of hats is not recommended.
- Sunburn and skin damage can occur on overcast days.

9.2 STUDENT DRESS CODE

It is the policy of Our Lady of Fatima School for students to wear correct school uniform unless there is a Free Dress or Theme Day. Blue shirts are to be tucked in. Polo shirts may be worn out during sport and play. The principal must approve any deviation from uniform. Pre-Kindy and Kindy students do not wear school uniform. A casual colourful t-shirt with the school name on it can be ordered from the uniform shop. Pre-Primary students wear the school sports uniform throughout the year.

The uniform is not meant to establish uniformity or to deny individuality. Rather, it is a symbol of the school and will help our children identify with the school and develop a sense of belonging. Wearing the uniform encourages a sense of pride in appearance. The school will insist that full uniform be worn and that parents will support the school in this matter.

As your children will soon learn, there is a **NO HAT – PLAY IN THE SHADE** rule; this means students without a hat will be asked to remain in the shaded area under the hall during recess and lunch.

APPEARANCE

We ask parents to check that the children leave home in the morning neatly dressed and properly groomed. Fashionable extremes, as determined by the school, are not permitted and for safety reasons pendant earrings are **NOT** allowed, studs are the only earrings to be worn. Nail Polish is not appropriate for school days. Hair is to be kept out of the face and long hair is to be worn tied back with a white or blue hair tie or hair scrunchy in school colours (available from the uniform shop). A watch or medic-alert bracelet are the only items to be worn. No other jewellery is permitted.

9.2.1 OUR LADY OF FATIMA UNIFORM

9.3 DRESS ON EXCURSIONS

For the many excursions or performances that our children will attend, full standard uniform is required, unless the class teacher informs you otherwise.

9.4 LOST PROPERTY

There is a lost property basket in the gallery area; it is usually full of various pieces of uniform. **PLEASE LABEL ALL ITEMS OF UNIFORM AND PERSONAL PROPERTY**, this makes it more likely to be returned or identified in the lost property. Thoroughly check the lost property before deciding lost items are gone for good. It is a good idea to check that names have not been washed off, laundry pens are recommended.

9.5 PERSONAL PROPERTY

All personal property needs to be clearly labelled. No child has the right to interfere with another's property, children are **NOT** to bring toys and games to school. The school will take no responsibility for items that should not be at school. All bikes must be locked while on school premises.

10.0 COMMUNICATION

Should problems arise, you are advised to make an appointment to speak with the child's teacher in the first instance and then the Principal. An appointment can be made through the school office.

Parents are asked not to take teachers' time first thing in the morning or after school without an appointment.

10.1 PARENT-TEACHER COMMUNICATION

Ongoing communication between parents and teachers is essential in providing the best education for our children. If there is any matter that you feel needs clarification you are strongly urged to contact the class teacher to arrange a convenient time to meet. This will allow both of you to give your full attention to the discussion. The school principal is also available for meetings with parents to discuss issues.

10.2 PARENT – TEACHER INFORMATION NIGHTS

A parent information meeting for each class is held early in first term, except for Pre-Kindy and Kindy which occurred the previous year. Class teachers explain classroom policies, practices and procedures at these meetings. All parents are requested to attend these meetings. If you are unable to attend, please arrange an alternative meeting time, with the class teacher.

10.3 NEWSLETTER

Our newsletter is emailed home to each family every second Friday. The newsletter can also be accessed on the school website. It is important to take time to read the newsletter, as this is the main form of communication between school and home. If you would like to place a notice in the newsletter, please contact staff in the office or your P & F class representative by Wednesday lunchtime.

10.4 ASSEMBLIES

Our formal assemblies are held on Friday mornings in the school hall at 8.50am. The assembly is facilitated by our Year Six leadership committees and the presentation of merit certificates takes place. A Monday morning briefing takes place at 8.50am which is a brief gathering to discuss activities /events taking place in the week. This is a gathering of 10mins where general information is disseminated.

10.5 STAFF MEETINGS

Staff meetings are held regularly on Wednesday afternoons to develop policies, discuss curriculum issues, plan school activities and deal with school administrative matters. If parents need to see the class teacher, please avoid Wednesday afternoons and try to make an appointment for another day.

10.6 ABSENTEE NOTES

If your child is ill or absent from school for any reason, please notify the school before 9:15 am. Parents must provide the teacher with a written explanation (may be email) as to the cause of a child's absence or a doctor's certificate for extended periods of absence. Office staff will contact parents if no explanation is received by 9:15 am on the day of absence.

10.7 SIGN IN AND SIGN OUT IPAD

In the case of an emergency or school evacuation it is important for the staff to have the correct information as to who is on school grounds.

Therefore, should you need to take your child out of school during school hours, your signature is required in the "sign in and sign out iPad" at reception/office. If you return your child to school, you will need to sign the student back in.

If you are late, the office will need to be notified and the book signed. In the case of older children, they can advise the office themselves. Children often feel embarrassed entering a class when it is settled and continual lateness should be avoided. If you feel your child is uncomfortable or embarrassed, please accompany them to their classroom.

If parents/adults are on site for any reason outside of drop off/pick up hours they need to sign in at the office. Please be vigilant to sign out when you leave.

10.8 BEFORE SCHOOL PROTOCOL

Students should arrive at school no earlier than 8.15am, unless they are going to the Camp Australia before and after School program. Those who arrive earlier must sit on a bench and wait for a teacher to arrive on duty at 8.20am. Duty teachers are rostered on in the upper primary areas before school. Only when a teacher is on duty are students allowed to play. No children are to play on the equipment before or after school until a teacher is on duty. At 8.30am all students are expected to be in their classrooms getting organised for the day. At 8.30am the doors will be opened in the Primary school classrooms. Pre-Primary and Kindy open the doors at 8.40am.

At no time before school are parents or students allowed in the gallery. This is due to there being no supervision and respecting the rights of the staff to conduct their affairs before the day begins. The gallery will be open to parents and students after the classroom teachers have opened their classroom doors at 8.30am. All students and parents are asked to enter the school premises through the classrooms.

10.9 PARENT INVOLVEMENT

Your input is necessary and your support is vital to be sure that our children receive the best. By being involved, we know you will learn a great deal about your children's friends and their families. We will also learn from you about the things that are important to you as the parents of our students.

Your help and interest is most welcome, particularly in the following ways:

P & F class representative: Please remember that our principal should always be the first point of contact when there are issues that may be of concern to you within the school, relating to staff, students or school policy. As a parent group the P & F welcome suggestions and guidance on how we can actively support and improve our school. Please add your items to our agenda early; we can then collect the necessary information, or invite the appropriate people, so you will receive the quickest response possible.

Nominate yourself to serve on the P & F Committee: Being part of the P & F is a rewarding way to support our school. These nominations will be accepted at the school's annual general meeting held in November. The executive positions (President, Vice-President, Secretary and Treasurer) are filled at the P & F meeting following the AGM.

From time to time, it may be necessary to call on people with specific expertise to assist in different projects. You can help us to help your children. A parent register of talents, interests and areas of expertise is updated annually. Please be sure to register your preferred area of assistance – a form is included with this handbook. Your involvement will enable many friendships to develop and will help all concerned to provide a better place for your children to be educated; it is a rewarding way to support your school.

School Board: The school board consists of the parish priest, the principal, and a parish council representative, a parents and friends association representative and seven representatives elected from the school community.

You can support the school by offering assistance to the school board when asked, or by nominating yourself or another parent you think may be suitable for service on the board. Elections are conducted annually at the AGM held in November. Induction is provided for all new board members.

10.10 CLASSROOM HELP

There are many opportunities for parents to assist in classrooms – through art and craft activities, process writing, research helpers in the library, Kindergarten and Pre-Primary rosters, hearing children read, assisting with excursions or other class activities. Please see your child’s classroom teacher if you can assist and fill out any help rosters that may come home.

11.0 TRANSPORT AND PARKING

Our school has approximately 150 families and the majority of students are dropped off and picked up by car. It’s understandable that we experience congestion and child/car conflicts. Our Lady of Fatima Primary School is committed to the safety of our children. To this end, the school in conjunction with Road Wise and The City of Melville has developed the following road safety and parking policy.

11.1 CAR ACCESS

- Cars may enter the basketball courts at the beginning and conclusion of each day to drop and collect their children. There are designated bays for parking with a speed limit of 5 kms
- There is perimeter parking around the school, with Harris Rd being reserved for the PK/Kindergarten families of the school.
- Parents are encouraged to use the school ‘drive through’ which operates between 3.00pm and 3.20pm. The ‘drive through’ operates smoothly when parents stagger their pick up times (not all parents arrive at 3pm). The students will be supervised until 3.20pm, remaining students will be taken to the office for collection.
- When entering the car park, it is best to turn left onto the school property from Foss St and leave the school turning left into Hammad St. Although it may add one minute to your travel time, it really does help traffic flow around the school.
- Parking is still available on the southern and western side of the car park.
- Please observe courtesy and patience during pick up and drop off time for the safety of all.
- A disabled parking bay is available on Harris St.
- A reserved bay is dedicated to an individual family and should not be used by other members of the school community.

11.2 BICYCLE, SCOOTER & SKATEBOARD RULES

Students who ride to school must wear a helmet and have a chain and lock to secure their bicycle to the bicycle rack. Bicycle and skateboard riders are not permitted to ride in the school grounds and must walk their bicycles/skateboards out of the grounds.

12.0 COMMON OLOF EXPRESSIONS

1. **AGM** – Annual General Meeting
2. **CEWA** – Catholic Education Western Australia
3. **P & F** – Parents and Friends Association
4. **NO HAT PLAY IN THE SHADE**– Being aware of the need for sun protection for our children, the school insists that all children must wear their school hat while playing during recess and lunch, and also while participating in outdoor Physical Education classes. Children without a hat must play in the undercover area under the school hall.
5. **RETURN SLIP/ PERMISSION SLIP** – There are occasions throughout the year that will require you to return information to the school i.e. sausage sizzle orders help, with events and excursions.
6. **PUPIL FREE DAYS** – There are pupil free days each year set aside for teacher development. On these days, children do not attend school. Dates are advised in the newsletter well in advance.
7. **THE MISSIONS** – Missions are project run to assist communities in need both in Australia and overseas. At Our Lady of Fatima we support several different Catholic missions. This is a commitment to social justice in our community, country and the world.
8. **A MISSIONS APPEAL** – Throughout the year the students will be asked to make donations to the missions. This could be in the way of a gold coin donation for the privilege of wearing casual clothes (free dress). Details will be placed in the newsletter.
9. **FREE DRESS** - When the school has a free dress day, students can wear home clothes. Neat and tidy appearance is still expected and be sure that your child has suitable footwear for playing.
10. **LIBRARY BAG** – On your child's library day they will need to use an OLOF library satchel to carry their book(s) home. OLOF library satchels are compulsory and can be purchased from the Uniform Shop.
